Hi Tony-

I just wanted to let you know that I may have a conflict on Dec. 13, 2011 for the [REDACTED] case as I have also received a summons for Wareham District Court. I'll most likely be on call for that, and it is a 2011 case (second court date), so I'm not sure if I'll be needed (a co-defendant already pled). I know that your case is also a pretty recent 2011 case, and I don't know the likelihood of your case going either (I have another case in Springfield District for that day as well). Just thought I'd give you a head's up.
